### PRODUCT DETAILS

#### 32mm speakers drivers

The big and powerful punchy bass lets you really feel the beats. Specially tuned drivers and bass vents produce ultra-low-end frequencies to create a unique bass sound signature.

#### Soft leather ear cushions

The leather cushions made of soft and breathable leather provide great comfort over long listening sessions.

#### Adjustable fit

The headphones feature swivelling ear-shells and an adjustable headband to ensure a great fit for all wearers.

#### Flat-folding design

The swivelling ear-shells make it easy to fold and store away the headphones when not in use, making them your ideal travel companion.
