About adidas Headphones

adidas headphones is anchored in human-centered design, with a focus on technology innovation, function and fit. We are determined to give athletes at every level the ultimate audio experience, in any field of play. The collection premieres with two core headphones, each crafted to meet the needs of a different sporting discipline and yet, versatile enough to meet the demands of any workout. The adidas Creator athlete is Never on Pause; whether on the street, the gym or everyday life, they are constantly moving forward both physically and in spirit. Sport is constant, and so are they.
