### PRODUCT DETAILS

Anyone who likes listening to their radio and music in excellent stereo sound quality, when out and about or at home, has made exactly the right choice with the DIGITRADIO 2 S. Thanks to the increased, optimised amplifier output, you can listen to DAB+ and FM radio, as well as music streams via Bluetooth, in first-class sound from the two built-in speakers. These are fitted to the left and right on the front and covered by a speaker grille to give a sophisticated aluminium look.

The sharp OLED display and the clear, large operating buttons ensure maximum ease and convenience when operating the device. Up to 20 favourite stations for both DAB+ and FM can be easily saved and retrieved here as well. With the easy-to-replace powerful rechargeable battery, you can enjoy up to 10 hours of music when out and about.
