### PRODUCT DETAILS

The DIGITRADIO 3 is a first-class DAB+ digital radio. In addition to the elegant design, which includes a top quality aluminium front, the DIGITRADIO 3 offers numerous impressive and easy-to-use functions. You can enjoy a range of both national and regional radio stations via FM and in digital quality via DAB+.

The intuitive knob control, the remote control included in the scope of supply and the convenient OLED display allow effortless access to all functions. The DIGITRADIO 3 receives wireless digital audio streams from mobile devices via Bluetooth. This means that you can easily stream music or radio shows from your smartphone easily to your radio. Music can also be played from external USB data media via USB.

Music lovers with a large CD collection will also have their desires fulfilled thanks to the built-in CD player. The DIGITRADIO 3 therefore offers a first-class all-round package - without mentioning the perfect sound. This is because the digital radio has 2 x 10 watt speakers by sound experts ELAC which, thanks to their optimised layout, ensure a perfect stereo effect - regardless of where you are in the room at any given time. The DIGITRADIO 3 provides balanced sound that can be adjusted to meet personal sound preferences using the equaliser.
