Internet radio in stereo sound that can be controlled via the included remote control for more convenience

Colour 

PRODUCT DETAILS

With this Dual compact radio you can receive your favorite radio stations over several channels: Via the, either wired or wireless connection, thousands of Internet radio stations can be received. If there is no internet connection, you can use the DAB (+) or FM tuner and still have a variety of stations to choose from.

If you want to enjoy your favorite radio program in peace, the radio has a headphone jack (3.5 mm jack). Via the AUX-IN input, you can connect external audio devices, such as your MP3 player, and thus play your saved favorite music.

In addition, you can use the Dual RADIO STATION IR 100 to play your favorite music via Bluetooth and thus transform the radio into a multifunction device. Furthermore, the radio station has a clock and alarm function with 2 adjustable alarm times. The alarm clock can be set daily, on weekdays, at the weekend or once.

execution
