FM/DAB+ portable radio with 10 hours of listening and 20 station memory.

Colour

PRODUCT DETAILS

The DAB+ Digital radio DIGITRADIO 1 has been both developed and produced in Germany and has a stunningly distinctive look. The large, chrome-plated control dial and neat functional buttons on the front allow very easy navigation through the menus, which appear on the clear OLED display. The built-in speaker is protected by a special grille with a distinctive design.

The device is also notable for its high level of mobility. The housing contains a powerful rechargeable battery which can be effortlessly replaced and provides up to 10 hours of radio pleasure when you're on the go. Moreover, you can programme and save up to 20 favourite stations for both DAB+ and USW.
