PRODUCT DETAILS

Uninterrupted playtime

Enjoy a full day of non-stop listening with a-Seven's 25-hour playtime and 35-day standby on a single charge. Worrying about battery life is now a thing of the past. Your new travelling companion is perfect for playing your favorite music and listening to your favorite podcast. The Qualcomm aptX feature ensures high-resolution wireless audio via Bluetooth.

Made to last

Ergonomically constructed, a-Seven's robust and lightweight aluminum construction will withstand the wear and tear of everyday use.

Comfortable fit

Enjoy a natural and comfortable fit with memory-foam-padded ear cushions made of soft synthetic leather that adapt to the shape of your ears. The flexible headband features a metal substructure able to withstand frequent use.

Built-in features

The integrated mic and remote functions guarantee effortless navigation.

Noise cancelling

Advanced noise reduction technology significantly reduces exposure to exterior noise and lets you enjoy music, videos and movies without distraction.
