PRODUCT DETAILS

Your life, your music, your comfort – the all-new JBL Everest Elite 150NC is truly shaped around you. Smartly engineered, they let you enjoy wireless freedom with up to 16 hours of listening pleasure on a single charge. In Adaptive Noise Cancelling (ANC) mode, control what you want to hear for up to 14 hours. Equipped with dual echo cancelling microphones for crystal clear calls, the JBL Everest Elite 150NC offer hands-free management of calls and music. Legendary JBL Pro Audio Sound, the tangle-free cable management magnetic earbuds, the compact hard carrying case and the lightweight design elevate these headphones to travel companion par excellence. Meticulously crafted from premium materials and conceived for a snug fit thanks to the multiple size ear sleeves, these sleek and elegant headphones come in metallic finishes and colors. The My JBL Headphones App features include over-the-air updates that future-proof these headphones, while the Adjustable Ambient Aware allows you to dynamically adjust how much ambient sound is heard. Dare to listen.

Bluetooth Connectivity

Wirelessly enjoy all your music.

Legendary JBL Pro Audio Sound

Experience the same elevated experience and incredible sound JBL has been delivering to concert halls, studios and living rooms for 70 years.

Adaptive Noise Cancelling

Tune out the world with adaptive noise cancelling that lets you control the level of ambient noise you want to let in or block out, through the My JBL Headphones App or the the Smart Button on neckband.

14-hour battery life, recharge in 2 hours

Micro USB charging built in battery provides up to 14 hours of playing time in adaptive noise cancelling mode, and up to 16 hours with ANC off. Fully recharge the battery in 2 hours.

Dual echo cancelling microphones

Built in dual microphone with echo cancellation technology for crystal clear, hands-free calls.

Customized by you

Unlock all the potential of the Everest Elite 150NC, personalizing the headphones settings to your taste.

Comfort ear tips

Sculpted ear tips add unprecedented comfort to the listeners’ experience – allowing a longer, more enjoyable experience.

Fold and carry

The compact and sleek neckband design and the premium, hard carrying case allow maximum portability and protection.

Magnetic cable management

Ensures that the headphones remain comfortably secure and tangle-free around your neck when not in use.
