PRODUCT DETAILS

Your life, your music, your comfort – the all-new JBL Everest Elite 750NC is truly shaped around you. Smartly engineered, enjoy wireless freedom with up to 20 hours of listening pleasure on a single charge. In Adaptive Noise Cancelling (ANC) mode, control what you want to hear for up to 15 hours. A 3-hour quick recharge, an echo cancelling microphone for hands-free calls, Legendary JBL Pro Audio Sound, compact hard carrying case and flat-fold design elevate these headphones to travel companion par excellence. Meticulously crafted from premium materials and conceived for a snug fit and long-lasting comfort, these sleek and elegant headphones come in metallic finishes and colors. The My JBL Headphones App features include over-theair updates that future-proof these headphones, and TruNoteTM Auto Sound Calibration that personalizes the audio performance based on ear cup fit, delivering the most authentic version of music possible. To customize these headphones, developers can unlock smart experiences with the Everest Elite 750NC by downloading the CES 2017 Innovation award winning JBL EVEREST ELITE SDK currently available at www.developer.harman.com. Dare to listen.

Bluetooth Connectivity
Wirelessly enjoy all your music.

Legendary JBL Pro Audio Sound
Experience the same elevated experience and incredible sound JBL has been delivering to concert halls, studios and living rooms for 70 years.

Adaptive Noise Cancelling
Tune out the world with adaptive noise cancelling that lets you control the level of ambient noise you want to let in or block out, through the My JBL Headphones App or the ear cup buttons.

15 Hour battery, quick recharge in 3 hours
Micro USB charging built-in battery provides up to 15 hours of playing time in adaptive noise cancelling mode, and up to 20 hours in wireless mode. Fully recharge the battery in 3 hours.
