ClipWear Active In-Ear Wireless Headphones

Colour

PRODUCT DETAILS

Sport without music is not an option

The ClipWear Active are perfectly suitable for sports lovers who won't abstain from music during their exercises. The clip allows a secure fit when using the In-Ear Headphones while being active.

Thanks to the Clip, the box doesn't bounce around and it also allows for multiple wearing styles, on the front or the back. The long battery life let you enjoy up to 8 hours of wireless music or talk time.

The 3 Button remote control gives you a Smartphone hands-free function and playback control. As the electronics are housed within the clip the ClipWear headphones are super comfortable and virtually weightless.

For smartphones

These headphones are ideal for use with Android, Windows and Apple smartphones.

Perfect for sports

These headphones are specifically designed for active sports and offer optimum comfort and rich sound.

Multifunction headset

With the integrated Inline Microphone, Phone calls can be accepted or cleared.
