PRODUCT DETAILS

Powerful bass

Powerful 8.6mm speaker drives in a compact design ensure a perfect fit, clear sound and a big, punchy bass.

Ergonomic design

The ELIT300 offers noise isolation with an oval acoustic tube design for a comfortable, natural fit so that you can keep listening for hours in total comfort.

IPX4 sweat- and splash-proof sports headphones

Featuring IPX4-Waterproof-Standard, a sweat-resistant casing and an impermeable Nano-coating for further protection, these headphones will keep working even through intense, sweat-filled workouts and rain.

Remote with mic for music and call control

Features a built-in microphone and easy-to-use remote control that allows you to play or pause tracks and answer or reject calls with the mere push of a button.

3 choices of earcaps

Comes with earcaps in sizes small to large, so that you can select the perfect fit for your ears.
