The on-ear wireless headphones A6/500 from Kygo is the ultimate portable headphones. Thanks to their slim design, the A6/500 are light, resistant yet comfortable companions made for your everyday life, while offering the same Kygo sound quality.

Colour

PRODUCT DETAILS

High-quality memory foam cushions
On top of it's extraordinary feel it isolates environment noise and increases comfort during extended periods.

Advanced Bluetooth chip: CSR8670
Usually found in more expensive headphones from competing brands, this high quality chip improves lip-sync issues with the AAC protocol, enhances the equalisation of drivers and enables software update via the Kygo sound app.

High quality matt UV coating
Resistant to damage, durable and easy to clean.

Kygo Sound App
Experience a new way of customizing your sound. Move the dot through four unique cities, with four unique sound experiences – each with a special meaning to Kygos journey, so far. It also allows software updates, see product information and get in touch with Kygo Life customer service.
