

**ZENDURE****USB 3-in-1 Cable 1m Black**245741
SRP 32,95 €**32,95 €**

The Zendure SuperCord USB Cable is TÜV-certified, proving the high 50000+ bend lifespan at 180 degrees, which is ten times stronger than ordinary cables.

PRODUCT DETAILS

Durable Braided Cable

Each cable is woven with defense-grade fibers to enhance durability and flexibility. To provide all-around protection for the whole cable, we also reinforce the cable's construction with body armor technology.

Ultra-Strong & Durable

The Zendure SuperCord USB Cable is TÜV-certified, proving the high 50000+ bend lifespan at 180 degrees, which is ten times better than ordinary cables. The attached genuine leather strap ensures that your cable doesn't get tangled up.

Superior Strain Relief & Reinforced Connector

With soft and flexible material, this strain relief cable helps absorb stress and reinforce the junction between the cable and connector. The fire-resistant PVC protects the circuit board and chipset inside with a stainless steel connector.

Apple MFi-Certified & High Speed Charging

The Zendure SuperCord Lightning Cable is Apple-certified for high-speed charging with compatible Lightning devices, which entails up to 12W optimal charging and 3-in-1 (Lightning + Micro USB+ USB C) for iPhone and all Android phones.
