PRODUCT DETAILS

USB-C PD & Zen+

The A6 PD has an industry-leading USB-C PD charging technology for the whole range of exciting new USB-C devices. Charge the latest devices, e.g. iPhone 8, iPhone 8 Plus, iPhone X, Nintendo Switch and MacBook up to 45W. Easy, hassle-free connection for power with the small, reversible USB-C connector. Each port automatically detects your device and fine tunes the output to charge it at maximum speed. Enjoy top charging speed with a “Zen” peace of mind.

Huge Capacity & Rapid Recharge

With 20,100 mAh capacity, the A6 PD can easily extend your phone usage 6-7 times. The PD port also serves as the input, rated 45W, meaning that compatible power supplies can fully charge A6 PD in just four hours.

Packed with Features

- The unique charge-through function allows you to charge the A6 PD's internal battery while it is charging your devices, a feature rarely seen in external batteries.
- Zendure A-Series portable chargers will automatically power on when connected to a compatible device for charging, then switch back to standby when charging is complete.
- All Zendure A-Series products can maintain up to 95% of the original charge after six months without use.

Ultimate Compatibility

- The Zendure A-Series is compatible with almost all Apple and Android smartphones, tablets and other USB-charged devices.
- Especially compatible with iPhone X, iPhone 8, Galaxy S8, Nintendo Switch.

Included Accessories

- Zendure 20,100 mAh PD Power Bank
- USB-A to USB-C Cable
- Travel Pouch
- Product Guide
- 45-Day Money Back Guarantee
- 24-Month Product Replacement Warranty Card
