PRODUCT DETAILS

2-in-1 Design

MIX is a high-capacity portable hybrid charger and a three-port wall charger in one sleek package, eliminating the need to carry both a portable charger and a wall charger.

Fast Charge Capability

MIX is equipped with three USB outputs. A USB-C port supports up to 18W Power Delivery and rapidly charges iPhones X/XS/XR to 50% in 30 minutes - 3 times faster than a 5W charger. Two USB-A ports support ZEN+ adaptive charging, optimizing output for connected devices. With 3 USB outputs, MIX can charge up to 3 devices simultaneously with a total output of 18W.

Widely Compatibility

MIX is compatible with Apple smart phones, Android smart phone, tablets, Nintendo Switch and other electronic devices. With 5.200mAh capacity, it can extend your mobile power for 1-2 days.

Unique Pass-Through Charging

Pass-through charging is a useful extra feature, which enables MIX to charge devices and recharge its internal battery overnight.

Travel-Friendly Design

MIX features a compact design and a foldable plug, which fits in any bag or pocket. With 2 complimentary EU and UK plugs, you can travel anytime, anywhere.

Superior Safety Protection

MIX is a combination of 10 safety features that work together to provide ultimate protection for your devices, your chargers and most importantly: you.
