PRODUCT DETAILS

10W Wireless Charging
The Q7 wireless car charger intelligently identifies your devices and charges them safely and speedily. Support 10W max fast charger for Samsung S10/S10 Plus/S9/S9 Plus and 7.5W max fast charger for iPhones XS max/XS/XR/X (5W for other Qi-enabled smartphones). Simply place your phone on it and power up with a view.

Automatic Lock and Release
Phones placed on the Q7 are quickly identified. Your phone then automatically locks in and starts charging. There are two ways of release - either holding your phone over the Q7 or pressing the button on its back.

Strong and Stable Holding
The Q7 efficiently locks in your phone based on size and firmly holds it in place even on off-road tours.

Multiple Ways to Mount Your Phone
The Q7 supports multiple ways of mounting and can be attached to the windows, the air vent or the dashboard.

Discover the Perfect Viewing Angle
With a 360-degree rotation joint, you can angle your phone any way you want for your convenience of use.

Case-Friendly
No need to remove your phone case when charging – the Q7 is compatible with multiple phone cases, featuring up to 8mm of charging distance.
