Hombli Outdoor Smart Light String 5m extension

250077
SRP 49,95 €

49,95 €

Extend your Hombli Outdoor Smart Light String by an additional 5 meters with this extension set. Just like the Outdoor Smart Light String, it is weatherproof (IP65) and can be fully controlled via the Hombli app from wherever you are. Can be connected with one more extension for a total 15 meters of outdoor smart light string.

PRODUCT DETAILS

By connecting this extension piece to the Hombli Smart Outdoor String Light, you can provide larger outdoor spaces with a warm and cosy atmosphere. This extension piece is 5 metres long and has 10 bulbs (DC12V) with warm white light. The Hombli Smart Outdoor String Light Extension is specially designed for outdoors and weatherproof (IP65).

Easy installation
You simply connect this extension piece to the Hombli Smart Outdoor String Light to extend the light string to 10 metres. You can connect up to 2 extensions together for a total length of 15 metres. Because the way of hanging differs per situation, fixing material is not included. Ask for professional advice at your local DIY store.

Designed for outdoors
The Hombli Smart String Light is specially designed for use in outdoor environments such as the garden, balcony or terrace. This string light is IP65 weatherproof and is protected against rain and dust.

What is in the package?

- 1x Hombli Outdoor String Light Extension
- 10x DC12V bulbs (dimmable)
- Instruction manual
