The Hypervolt Go was designed to move with you. It gives you portable percussion massage in a perfectly light and powerfully small package so you can take it to the gym, on the road, and everywhere in between. Get the muscle relief you need so you can keep going. And then go again.

PRODUCT DETAILS

On the go
The Hypervolt Go's compact, ergonomic design helps it fit perfectly in your hand and easily in your bag so you can bring serious muscle-massaging relief with you anytime, anywhere.

Powerful relief with no disruption
The Hypervolt Go is equipped with our patented QuietGlide® technology which means a near silent operation - so your music, podcast, or conversation never has to stop.

The ultimate companion
At only 1.5 pounds, the Hypervolt Go still boasts 2.5+ hours of battery life per charge, three massage speeds and comes with two adjustable attachments - it's truly fit for your next adventure.
