

Hyperice

Hyperice Vyper 2.0 high-intensity-vibrating fitness roll

250550
SRP 159,00 €

159,00 €

The Vyper 2.0 changed fitness rolling forever. Featuring all the traditional benefits of foam rolling amplified by three powerful speeds of vibration, the Vyper 2.0 is strong, sleek, and durable.

PRODUCT DETAILS

Powerful, inside and out

The Vyper 2.0 is constructed of a high-intensity vibrating core and rechargeable lithium-ion battery encased in an eco-friendly high-density polypropylene foam for maximum vibration transfer.

1-touch control

Turn on the Vyper 2.0 and choose low-, medium-, or high-intensity vibrations, all with just one button intuitively placed on the side for easy access.
