SRP 149,00 €

149,00 €

Power and versatility work together to make the Hypersphere convenient and efficient, the perfect blend to enhance your warmup and recovery routine.

PRODUCT DETAILS

Ease tension everywhere

When full-body workouts have you struggling to get up a flight of stairs, the Hypersphere shape and rubber coating make it perfect for pinpointing targeted areas that desperately need it.

Deep-tissue massage

The high-powered vibrating Hypersphere can be used for trigger point release on your tightest muscles so you can recover faster and move better.

Details and specifications

- A hard outer shell optimizes vibration intensity and muscle connection
- A hand-held vibration device that delivers localized pressure
- Battery life - Up to 2 hours on a full charge
- Speed - 3 speeds of vibration
