PRODUCT DETAILS

AQVIA captures Scandinavian design standards, honouring long-lasting quality and honest functionality. Driven by the devotion to the sustainable home carbonation tradition, AQVIA elevates the sparkling water experience in everyday life.

A brushed stainless steel classic in a timeless design.
Exclusive is a premium quality sparkling water maker made entirely of stainless steel. Fingerprints will not show on the stain-resistant surface. The machine is quiet and easy to use and adjusting the amount of bubbles is straightforward. Exclusive is a design-award-winning soda machine that has been on the market since 2009 and is now available in its 5th generation model. Exclusive has been chosen several times as the best sparkling water maker on the market and continues to be one of the top-selling products of its kind.
