SRP 14,99 €

**14,99 €**

Replace damaged protective lenses for your Rollcage (Protective Sleeve + Replaceable Lens for HERO8 Black). They are made from mega-durable Corning® Gorilla® Glass and snap on easily to shield your camera lens from dust and scratches.

### PRODUCT DETAILS

Replace damaged protective lenses for your Rollcage (Protective Sleeve + Replaceable Lens for HERO8 Black). They are made from mega-durable Corning® Gorilla® Glass and snap on easily to shield your camera lens from dust and scratches (not for underwater use. Image quality may be affected). Special slots in the frame of the glass allow quality audio capture, even in high wind. No tools needed for installation.

### Features

- Rugged lens protection from dirt and scratches, made with mega-durable Corning® Gorilla® Glass
- Snug, secure fit for protection from all angles
- Easy to remove and replace—no tools needed
- High-quality audio capture, thanks to special slots on frame of glass
