PRODUCT DETAILS

Designed for sports
With the Freebit sports wings, the E4/1000 offer a comfortable yet secure fit for all your activities, while being water and swear resistant (IPX5). They also integrate reflective materials for those who run early or late in the day. The 6 h playing time allow you to do sports freely without taking into account the battery life of your earphones. The fine tuned Kygo sound guarantees you a clear and warm sound signature.

For everyday use
The E4/1000 offer a premium sound quality with atpX codec and Bluetooth 4.1, with a battery life going up to 6 h. The convenient remote control allows you to easily accept a call, change tracks or simply pause your track. The integrated microphone allows you to make calls without taking your phone out of your pocket. Along with the Freebit wings, the comply foam ear tips offer additional comfort, so that almost you don't feel them anymore.

The E4/1000 are compatible with both iOS and Android.
