PRODUCT DETAILS

XENON features aptX and AAC codecs fine-tuned by Kygo and his team of audio engineers to give you a clear, world-class sound experience. The soft memory foam ear cushions guarantee comfort during longer periods. In between wears, just keep them nicely folded in the travel case.

The LED X on the ear cushions gives an extra edge to the clean Scandinavian design of these headphones, but if you're more discrete, simply turn it off and enjoy all the other features XENON has to offer.
