49,95 €

The effective VIBE 3 electric toothbrush with sonic technology and triple-twisted bristles ensures sensitive cleaning. For all you world travellers: The high-performance power battery allows you to go on adventures for up to five weeks.

Colour

PRODUCT DETAILS

For all you early birds, world travellers and nightowls: I am your new sonic toothbrush VIBE 3!

Special Flex Head

The flex head adjusts to the brushing pressure and prevents excessive pressure.

High-Quality Triple-Bristles

Highly effective sonic technology ensures up to 40.000 highly effective vibrations for gentle cleaning.

Integrated 4-Quadrants-Timer

The sonic toothbrush VIBE 3 with effective vibrations and triple-twisted bristles ensures sensitive cleaning. The integrated 2-minute timer helps brushing all quadrants equally.

Power Battery

The high-performing power battery allows you to go on adventures for up to five weeks.

Custom-Cleaning-Modes

Bye-bye, brushing by hand! It was nice, but there are three new options: Normal, Sensitive, Polishing.

Travel-Lock Function

No more nasty surprises when travelling thanks to the practical Travel-Lock function.

Protection class: IPX7

Capacity: 1200 mAh

Box content
