PRODUCT DETAILS

The right choice for any sound

Our custom 8.6 mm TCD driver has been tailored to deliver powerful and precise bass as well as a lively, dynamic range to keep your daily soundtrack fresh and enjoyable.

Effective noise-isolation

Our noise-isolating silicone sleeves let you enjoy a rich and fulfilling music experience even in noisy environments without straining your ears or turning up the volume.

Tangle-free flat cables

Whether it's during your next commute to work or your next workout session in the gym, you'll never have to worry about trying to undo the mess that is tangled wires thanks to our signature tangle-free flat cables.

Accessories seal the deal

We know how important good sound is while traveling, which is why you get an in-flight adapter, a stereo splitter to make sharing music with your friends easier, and a travel case to keep your earphones and accessories safe and secure. No matter where you are, just sit back and enjoy your music.
