PRODUCT DETAILS

Immersive JBL sound with the Google Assistant. The JBL Link 10 is a voice activated portable speaker with Wi-Fi and Bluetooth® enabled that delivers immersive stereo sound. It has the Google Assistant built-in. It's your own personal Google. Always ready to help. You can ask it questions. And tell it to do things. The more you use it, the more useful it gets. Just start with "Ok Google" – a simple voice request triggers your JBL Link 10 to play music, podcasts or radio from services like Google Play Music, Spotify, Pandora and more. This compact speaker is powered by a 4000mAh rechargeable Li-ion battery that offers 5 hours of continuous, high-quality audio playtime. Featured with durable, waterproof fabric materials, JBL Link 10 is ready to outlast all your adventures. And with the Chromecast built-in, you can instantly start streaming to JBL Link 10 from your favorite music apps.

Get help from your Google Assistant
JBL Link 10 has the Google Assistant built-in. It is your own personal Google. Always ready to help.

Hands-free voice control
Far-field voice recognition allows for easy hands-free operation. Ask questions across the room and the JBL Link 10 will respond.

Simple setup with the Google Home app on iOS & Android
With the free Google Home app on iOS & Android, you can easily setup and manage your JBL Link 10.

Chromecast built-in
Lets you instantly stream your favorite music, radio, or podcasts from your mobile device to your speakers.

24 bit/96kHz High quality sound, powered by the cloud
Chromecast streams directly from the cloud, so you get the highest sound quality. Enjoy crystal clear sound exactly the way the artist intended.

Multi-room playback across speakers that have Chromecast built-in Easily set up your system and control multi-room playback with the Google Home app. A step by step guide allows you to quickly
