PRODUCT DETAILS

Enjoy the freedom to go further with JBL Reflect Flow headphones. Whether you're in the gym training or outside on the go, the JBL Reflect Flow headphones are truly wireless to compliment your active lifestyle. In addition to the ability to change tracks, manage calls hands-free and access your voice assistant, the Reflect Flow headphones are IPX7 water and sweat proof providing 10 hours of continuous playtime with 20 additional hours in the charging case. You'll also enjoy the Ambient Aware feature that enables you to hear what's happening around you while still enjoying your music. Additionally, the TalkThru feature allows you to have a conversation without taking off the headphones. Comfortable and secure thanks to customizable ear-tips and Freebit enhancers, the Reflect Flow headphones delivers powerful JBL Signature Sound designed for movement.

Truly Wireless

Discover the freedom of a wireless lifestyle while on the go. Work out, listen to music, and manage your calls without the fear of tangled wires interrupting your groove.

Hands-free calls with easy access to your voice assistant

Manage music and calls with ease or get info from your voice assistant at the touch of a button.

Ambient Aware and TalkThru

Equipped with Ambient Aware for additional awareness in outdoor environments and TalkThru for easy conversation without taking out the earphones.

Waterproof

The IPX7 Waterproof rating enables you to get through the toughest workout in any weather.

30 Hours Battery Life + Speed Charge

Powers a week's worth of workouts or a full day of fun with 10 hours in the earbuds plus an additional 20 in the charging case. A 10 min rapid charge gets you back in the game for another full hour.

JBL Signature Sound

The 5.8mm driver featuring JBL Signature Sound provides a powerful punch to all your playlists.

Ergonomic Fit

Better comfort and customization with ergonomic silicone tips and patented Freebit™ enhancers, available in 3 sizes.
