Bluetooth neckband headphones

Colour

PRODUCT DETAILS

Extraordinary comfort, quality, and convenience meet in wireless headphones designed around you. Sound is clear and focused with powerful rare-earth-magnet drivers suppressing unwanted vibrations, bringing natural dynamics, bass, and detail back to your music.

Spin-processed button-style earphone backs feature high-texture alumite finish, adding a touch of class to the hip colour-matched aluminum design. The soft neckband is comfortable with a remote for hands-free control, and pairing is instant with NFC.

Android users get a free app that reads message notifications and enables voice reply when you can't reach your phone. Hit the streets in style: the QL7 wireless headphones put you and your music first.

Product features:

- Aluminium Housing Wipes Out Vibration
- Exclusive Pioneer Notification App compatible
- User Friendly soft and comfortable neckband style

Audio Features

- 8 mm (5/16) rare-earth-magnet dynamic driver
- Aluminum housing reduces vibration for superb clarity
- Deep, taut bass and excellent detail resolution
- Wireless technology supports AAC codec for high-quality sound
- Four earphone-tip sizes (XS/S/M/L) provide a firm seal
