PRODUCT DETAILS

Small, efficient speakers

These headphones feature 8.6mm speakers for a clear, balanced sound. With TCL, you'll get an exact fit that enhances the listening experience immensely.

Wonderfully wireless

These wireless headphones with 4.2 Bluetooth let you enjoy 6 hours of uninterrupted playtime and can be fast-charged for 15 minutes to provide an additional hour of battery life.

Ergonomic design

Enjoy noise isolation with an oval acoustic tube design for a comfortable and natural fit. Listen to your music for hours in total comfort!

Remote with mic for music and call control

The built-in microphone and easy-to-use remote control allow you to play or pause tracks and manage phone calls at the mere push of a button.

Clear calls and echo cancellation

Enjoy clear conversations with a noise-cancelling microphone that filters out background noise for better audibility during phone calls.

3 choices of earcaps and 4 different colors

These headphones are available in 4 stylish color options, and you can choose between small, medium and large earcaps to find your perfect fit!

Sound Features:

- Frequency range 10 - 22 000Hz
- Sensitivity 105dB
- Impedance 16ohm
- Maximum power input 20mW
