### PRODUCT DETAILS

#### True Wireless by Kygo

We've taken wireless technology to a whole new level with these ultra-sleek earphones, which are ideal for all types of physical activity or just regular everyday use.

#### More than 10 hours battery life

With E7/900 you get 3.5 hours of playing time, and by using the smart carrying case, another 10.5 hours of battery life in your pocket. This way you can enjoy listening to your favourite tunes all day long.

#### Easy to use

The buds connect via auto pairing, so they stay perfectly in sync, and all functions such as changing tracks, adjusting the volume or taking calls are easy thanks to one multifunctional button.

#### For an active lifestyle

They're also waterproof, allowing you to run in the rain or get extra sweaty at the gym knowing they can take it.

#### Perfect fit

For blocking out noisy environments and improving the overall sound quality, there's one pair of comfy foam tips, which adjust to each of your ear canals.
