Power Monster

This advanced 26,800 mAh rechargeable battery is your new favorite juice box to keep all your devices charged as well as the ability to provide USB-C laptops with more than 10 hours of extra battery. You may go so long without recharging it that you forget what a power outlet looks like. And thanks to its five USB output ports, so will your friends.

USB-C PD & Zen+

The A8 PD has an industry-leading USB-C PD charging technology for the whole range of exciting new USB-C devices. Charge the latest devices, e.g. iPhone 8, iPhone 8 Plus, iPhone X, Nintendo Switch and MacBook up to 30W. Easy, hassle-free connection for power with the small, reversible USB-C connector. Each port automatically detects your device and fine tunes the output to charge it at maximum speed. Enjoy top charging speed with a "Zen" peace of mind.

Packed with Features

- The unique charge-through function allows you to charge the A8 PD's internal battery while it is charging your devices, a feature rarely seen in external batteries.
- Zendure A-Series portable chargers will automatically power on when connected to a compatible device for charging, then switch back to standby when charging is complete.
- All Zendure A-Series products can maintain up to 95% of the original charge after six months without use.

Ultimate Compatibility

- The Zendure A-Series is compatible with almost all Apple and Android smartphones, tablets and other USB-charged devices.
- Especially compatible with iPhone X, iPhone 8, Galaxy S8, Nintendo Switch.
