PRODUCT DETAILS

Full Control With the Hombli App
Create the perfect light setting in your home for reading, working, studying, or any other activity. Simply turn your lights on or off, set the color temperature, or adjust brightness using the free Hombli app on your phone.

Control Your Lights With Your Voice
Control your smart lighting with voice control through the Google Assistant, Amazon Alexa, or Siri. Use hands-free voice commands such as:

"Hey Google, dim the lights in the living room"
"Hey Alexa, make the lights warmer"
"Hey Siri, turn on the lights"

Control From Anywhere...
Whether you're at home or away, you can control your Hombli smart lighting from anywhere in the world with your phone.

Easy Home Automation
Create personalized smart scenarios for your Hombli devices and control them manually or automatically.

The user-friendly app interface makes home automation a piece of cake. Execute scenarios automatically when pre-set conditions are met. Choose triggers like time schedules, sunset/sunrise, weather, temperature, humidity, or other devices.
