PRODUCT DETAILS

Secure Data Storage

Your privacy is our priority. Recorded footage is always secured with top-level encryption, locally on a SD card (up to 128GB) or in the encrypted Tuya Cloud.

Monitor Everything in HD

Install the security camera on any wall and setup the perfect angle with the flexible wall mount. Requires installation with the including screws.

Motion Detection Alerts

Receive alert notifications instantly on your smartphone when the security camera detects motions. Watch everything even in the dark with HD night vision up to 15m.

Stay Connected With Your Smartphone

Watch, playback and record live videos on your smartphone with the free Hombli app. Communicate with whoever is in front of the camera with two-way audio.

"Hey Google!"

Works perfectly with the Google Assistant and Amazon Alexa for hands-free voice commands.

Easy Home Automation

Set up the smart security camera to automatically operate to specific conditions like time or custom actions. Simply combine multiple smart home devices to create scenarios, and control them with a single tap or voice command.

Hombli Smart Outdoor Camera

- 1080p Full HD 90° Angle
- View Infrared Night Vision Two-Way Audio
