### PRODUCT DETAILS

#### Sjöstrand Coffee Capsules

Sjöstrand launched its own coffee series of 5 delicious Arabica-bean-blends with a Nordic roast profile. The coffee is:

- 100% organic and Fairtrade-certified.
- The capsules are compstable/biodegradable, made with sugarcane fibre.
- Nespresso® Original compatible.
- Made with organic water and solar energy, making them the first climate compensated coffee capsule with 110% emission offset.
- Delicious

#### Sjöstrand: Look good, taste good, do good.

Sjöstrand is a lifestyle brand challenging and striving for positive change within the coffee industry through beautiful and sustainable product design. The brand was launched in 2011 and is building its concept with a passion for sustainability, design and - of course - delicious coffee.
