##### 6 reasons you need a Hypervolt Say goodbye to muscle fatigue

Get rid of muscle knots and loosen up. It's amazing what you can do with your full range of motion.

## Good vibes every day

Portable and always on-call. Think of Hypervolt like a massage therapist to massage away all your stress and tension.

## Optimize your workouts

Get ready to rock. And recover right. The Hypervolt accelerates your warmup and recovery time like a boss.

## The best use the best

There's a reason the pros are the pros. They know how to treat their bodies right and you should too.

## There's an app for that

Hit all the right muscles and master the timing and intensity of your sessions with guided routines in the Hyperice App.

## Do what you love. More.

At work or working from home, at the gym, or trailside on your run, Hypervolt helps you move better and do more.
