PRODUCT DETAILS

The game changer

The first percussion massage device to deliver so much power so quietly, the original Hypervolt changed the game for premium percussion devices worldwide.

Customized for you

The Hypervolt features three speeds of rapid percussion that can be changed with a single button, so you can cycle through whatever speed you need without interruption.

Do not disturb

Keep the conversation going – the Hypervolt won't interrupt. Thanks to our patented QuietGlide™ technology the Hypervolt provides relief almost silently.

Details and specifications

- Battery life - 2 hours
- Speed - 3 speeds of percussion
- Bluetooth® - Connects via Bluetooth® to the Hyperice App (for automated speed control)
- Pressure sensor - Patented Pressure Sensor Technology™ showcases how much pressure is being applied

What's included with your Hypervolt

- **Hypervolt** - The actual device

- **AC cable + 24V charger** - To keep your device charged and ready to go
- **Head attachments (5)** - To tailor the device to best suit the area you're focused on
- **Head attachment pouch** - To keep all the attachments together and organized
