PRODUCT DETAILS

Compact Storage

The padded camera compartment fits a variety of cameras and drone equipment and includes a pouch for tablets with up to 10.5 inches. The padded dividers are fully-adjustable for a custom fit. You can easily access your camera and tablet through the dual zippers on top without having to open the entire bag. The side pocket securely hold a water bottle or tripod, while the front pocket provides organization and storage for small personal items. With mélange fabric, copper touchpoints and trim details, the look is perfect for modern professionals.
