

## XGIMI X-Floor Stand, Black

249540  
SRP 139,00 €

**139,00 €**

This sleek aluminium floor stand is compatible with all XGIMI projectors.

### PRODUCT DETAILS

#### Safe load-bearing range of 4 kg

Aircraft grade aluminum alloy ensures 4 kg safe loading capacity. The product is compatible with all XGIMI projectors.

#### 360-degree rotation

Thanks to the 360° rotation mechanism, you can easily turn your ceiling into a theater screen.

#### Two height solutions

Adjustable 890 mm and 490 mm height options offer a solution for various use scenarios.

#### Flawless design

The elegant floor stand integrates seamlessly into any living space and comes with perfect stability thanks to the 300 mm diameter stand base and 3.5 kg weight.

#### Non-slip silicone pad

Non-slip cushioning protects the floor stand from scratching.

**Considerate details**

The stand features a fixture for cable and wire management on an anodic oxidized metal surface with smooth silicone buttons for a better sense of touch.
