

DEEBOT 

Key Technologies

- OZMO™ mopping technology
- Smart Move navigation
- Enhanced suction power
- Optional magnetic boundary stripes

Vacuums and mops your home in one go

Can effectively deal with dirt and stains at the same time

Live Smart. Enjoy Life.

DEEBOT U2

Fed up with ongoing cleaning? DEEBOT U2 is here to make life easier. The robot comes with ECOVACS' unique OZMO™ mopping technology that is now for the first time available in all ECOVACS' models - from entry to premium - for an all-round wet-cleaning session of your home. Smart Move navigation makes cleaning faster and more efficient*, and with different cleaning modes, you can customise the cleaning programmes to your specific needs. The app control and smart-home compatibility guarantee effortless cleaning even when you are not at home.

* Compared to the D500 series

KEY TECHNOLOGIES & PRODUCT BENEFITS

Vacuum and mop in one go

Featuring a vacuum and mop combo, DEEBOT U2 can effectively deal with dirt and stains at the same time. Simply attach or detach the cleaning cloth plate to switch between vacuum and mopping functions. An electronically controlled water pump consistently draws water from the reservoir.

Systematic cleaning path for better efficiency

DEEBOT U2 can follow an advanced, back-and-forth cleaning pattern for a more thorough, faster and systematic clean. Since the robot memorises cleaning paths, it can be paused in the middle of a task and will resume to follow the path when restarted.

Maximised cleaning performance

Max+ suction level increases the suction power by approximately 2.5 times compared to the standard mode for the most demanding tasks. Additionally, you can choose from different cleaning modes (auto, edge and spot) for a customised clean.

Block areas where you don't want your robot to go

Maintain your privacy and satisfy your cleaning needs by setting up a magnetic boundary stripe. Simply place the stripe where you want to restrict the robot from entering.

* Optional accessory, does not come with the robot.

Specification

Name	DEEBOT U2
Noise Level	ca. 66 dB
Charging Time	ca. 4,5 hr.
Battery	Li-ion, 2600 mAh
Max Working Time	ca. 110 Min.
Dust Bin Size	400 ml
Watertank Size	300 ml
Doorsill Crossing	ca. 1.8 cm
Weight	2,75 kg
Dimension of the robot	337 x 339 x 79 mm
Product Packaging Weight	5,1 kg
Product Packaging Dimension	404 x 136 x 445 mm
Packing weight (1 in 1)	5,5 kg
Packing dimension (1 in 1)	419 x 148 x 462 mm
EAN EU	6943757600069

Add: Only works with 2.4 GHz Wi-Fi and does not support the 5 GHz-frequency band

Standard Features

Smart home compatible	High efficiency filter	Obstacle detection	Stair safety technology
Automatic charging	Continuous cleaning	OTA technology	App control

What's in the box

1 Robotic vacuum cleaner DEEBOT U2	5 Disposable cleaning cloths
1 Charging dock	2 High efficiency filter
4 Side brushes	1 User manual
1 Mopping plate	1 Cleaning tool
1 Washable cleaning cloth*
