More Than Just a Baby Monitor

Introducing the Nursery View Glow, the newest member of the Hubble Connected family. See, hear and speak to your baby from anywhere with the 2.8" video baby monitor with Night Light, giving parents the monitoring capability, they need in the form of a sleek, portable viewer. Track room temperature to ensure your baby stays comfortable, and never miss a sound with its high sensitivity microphone - all from a range of upto 300 m / 1000 ft.

Experience Smart Parenting with the HubbleClub App. Download and use the Growth & Development Tracker to monitor your baby down to every feed, nap and diaper change. Get access to expert sleep advice and parenting tips, all at your fingertips on the HubbleClub App.
